

På www.rotary-yep.org kan du se at Bolivia kun består af 1 Rotary distrikt, nemlig 4690.

Herunder beskrives nogle dokumenter, som du kan forvente at modtage. Nogle dokumenter skal skrives under til dit værtsdistrikt, andre skal bruges til din ansøgning om visum til Bolivia.

- Welcome letter – mange værtsdistrikter sender et sådant ret hurtigt efter at de har modtaget din ansøgning. Læs det og eventuelle vedhæftede dokumenter grundigt. Det kan indeholde "Rules for inbound students", som skal skrives under af både dig og dine forældre.
- Måske modtager du et "GDPR"-dokument (General Data Protection Regulation), som skal skrives under. Lande uden for EU, der samarbejder med EU lande omkring handel, udveksling af stort set alt, der også indeholder persondata, skal udbede sig en erklæring om, at man er indforstået med at disse data anvendes og opbevares så længe forholdet eksisterer.
- Guarantee Form (GF) – din ansøgnings Section F udfyldt af dit værtsdistrikt, værtsklub og værtsskole m.fl. GF modtager du højst sandsynligt fra den danske ACM out.
