11 February 2021

Dear Districts 1440, 1450, 1461, 1470, and 1480 Leaders:

We would like to thank all of the Rotary members who have participated in Rotary Youth Exchange (RYE) and contributed to this outstanding program. RYE staff reviewed the recertification documents submitted by the Rotary Danmarks Ungdomsudveksling (RDU) multidistrict on behalf of its member districts. Based on the information provided, we are pleased to notify you that all districts in RDU have met the requirements for the recertification of their RYE programs as set by the Rotary International (RI) Board of Directors.

CERTIFIED DISTRICTS	1440, 1450, 1461, 1470, and 1480 (DENMARK; FAROE ISLANDS; GREENLAND)
----------------------------	--

The districts' current certification is contingent upon continued adherence to RI policies for all types of exchanges. Certified districts will be asked to recertify on a staggered basis of every five to seven years.

Although RI has set requirements to ensure that certain expectations are met by all districts, meeting certification requirements does not imply that a district has complied with local laws and standards. Each district remains responsible for ensuring that its legal obligations are met, and all districts are encouraged to consult with a legal professional in the local area.

Please accept our congratulations and gratitude for the districts' commitment to strengthening youth protection measures in RYE. If you have any questions, please do not hesitate to reach out.

Sincerely,

Rotary Youth Exchange

Perspektiver, muligheder og udfordringer for RD, distrikt og klub

- YEP repræsenterer *essensen* af Rotarys værdier og mærkesager
 - Int. forståelse og goodwill,
 - Inter-kulturelle forståelse, konfliktforebyggelse og fredsbestræbelser
 - ‘Service Above Self’
- RD bør se YEP som en *strategisk* mulighed for medlemsudvikling
 - Strategi for ROTEX, ROTARACT, RYLA – personlig udvikling, opbygning af kompetencer
 - Berøring til 500+ potentielle medlemmer årligt (værtsfamilier og deres omgangskreds, lærere, sportsklubber -alle i berøring med studenter)
 - Potentiale i de øvrige ungdomsprogrammer
- Klubber får *muligheder* for
 - PR, foredragsholdere, projektdeltager, ambassadører

Danmark er 'en stor spiller' i RYE

- men med store udfordringer i fremtiden

As a Fairy-Tale by H.C. Andersen
It is quite true that the idea of sending young people on exchange is another country's program. This is the story of the Danish Rotary Youth Exchange Program, which was established in 1929. The program was inspired by the Danish fairy tale 'The Princess and the Pea' by Hans Christian Andersen. The program was established by the Danish Rotary Club, which was the first to start a youth exchange program in Denmark.

- Vigende antal engagerede klubber (< 50%)
- Vigende antal ansøgere (fra 205 i 2014 til < 110 ansøgere i 2023?)
- Stadig større og voksende administrative opgaver i driften af YEP (GDPR, SIRI, forsikring, IT)
- Mange andre (og professionelle kommercielle) udbydere
- Svært at målrette markedsføring til YEP (TikTok, Snapchat, Instagram, Youtube, FB etc)

Lærte at give slip

Rotary Norden er stolte af at have været med til at fejre den danske ungdoms udvekslingsstudenter, som i dag er på vej ud i verden. De kommer fra alle dele af Danmark og vil i løbet af deres udveksling opleve nye kulturer, sprog og mennesker. Det er en fantastisk mulighed for at lære at give slip på det gamle og åbne sig op for det nye. Det er en fantastisk mulighed for at lære at give slip på det gamle og åbne sig op for det nye.
