LJUBLJANA (JUNE 30TH - JULY 2ND)

Welcome to Ljubljana, »the most beautiful city in the world«! Located in the very center of the country and founded under the name of Emona in the Roman era, it recently celebrated its 2000th birthday. Ever since, it has played an important part in Slovenia's political and cultural sphere. Numerous cafés by the river, the colorful city market, and events, such as the Open Kitchen street food festival, contribute to its picturesque image and vibrant city life. Buzzing with students throughout the year and tourists in summer, Ljubljana attracts more and more visitors every year.

LJUBLJANA. Our beauty. Our Capital. Your place to visit.

Whereas it has won the title of the 2016 European Green Capital, some are already comparing it to Berlin for its recent increase in coolness and hipster culture.

When you will be in Ljubljana there will be some shorter trips out of the city, one of them is a trip to Bled, where you will be amazed by the beauty of nature.

...And there's more ;)

Join us and become a part of this unforgettable experience...

*Yours,
Rotaractors and Rotarians from Slovenia*
