- 5.3.2 The degree of disablement will be assessed in accordance with the extent of medical disablement, on the basis of the scale of disablement issued by the Danish National Social Security Office ("Arbejdsskadestyrelsen").
- 5.3.3 The compensation paid represents the percentage of the sum insured corresponding to the degree (percentage) of disablement. (For example, if the Insured is assessed as being 25% disabled, he/she receives 25% of the sum insured for disablement.)
- 5.3.4 The degree of disablement for loss of several parts of the body cannot, on aggregate, exceed 100%. No compensation will be paid in respect of a disablement existing before the accident. An existing disablement does not entitle the Insured to any higher assessment of compensation than if such disablement had not previously existed.

EUROPÆISKE's compensation liability for any and all claims arising within the insurance period under the sections covered is limited to the sums insured as specified in the policy and in these Conditions.

10.2 THE INSURANCE PERIOD

10.2.1 The policy provides insurance cover from the time of departure of the Insured from his/her domicile to commence the journey (or from the time/date when the policy is issued, if this is later), until his/her return to the domicile (or until the date on which the policy expires, if this is earlier than the date of return).

10.2.2 If the Insured's return is delayed through no fault of his/her own, the insurance period is extended by up to 48 hours free of premium charge.

10.3 TRANSPORTATION COSTS - LIMITATION

In cases where transportation has not been arranged by EUROPÆISKE, the amount covered corresponds to the expenses the company would have had to pay, if it had itself arranged transportation

10.4 GENERAL LIMITATIONS

The following special limitations apply to aviation accidents:

- a) The policy covers only accidents in which the Insured is involved as a passenger on board a nationally registered aircraft.
- b) Even if the Insured is covered by several personal accident policies (possibly also by policies taken out with other companies), the aggregate compensation for aviation accidents is limited to DKK 5 million for loss of life and to DKK 10 million for permanent disablement, which amounts are distributed pro rata to the single policies.

10.5 GENERAL EXCLUSIONS

10.5.1 The policy does not cover any claims arising from or incidental to:

- a) intention (i.e. claims brought about deliberately) or gross negligence on the part of the Insured,
- b) the Insured through his/her own fault being under the influence of alcohol, insofar as such influence has been an essential contributory cause of the claim,
- c) the Insured being under the influence of narcotics or other psychotropic substances.

Nor does the policy cover

- d) during the Insured's participation in scientific expeditions,
- e) pilots and co-pilots during flights.

Nor does the policy cover any claim arising as a direct or indirect consequence of:

- f) strike, lockout, seizure, confiscation or other measure by a public authority,
- g) release of nuclear energy or radioactive forces or radiation from radioactive fuel or wastes,
- h) war, warlike actions, revolution, civil commotion, if the claim arises later than 24 hours following commencement of any of these events.

10.6 OTHER INSURANCE

10.6.1 The policy does not cover expenses which are covered by other insurance or by the Danish „Tourist Health Insurance“ scheme (i.e. „Den offentlige Rejsesygesikring“). This provision does not, however, apply to Personal Accident insurance.

10.6.2 If, at the time that loss or damage covered by this certificate shall occur, there is any other insurance against such loss or damage or any part thereof, the Underwriter shall be liable under this certificate for its proportionate share of loss or damage only.

10.7 TRANSFER OF RIGHTS

10.7.1 No one can pledge or assign his/her rights under this policy without the consent of EUROPÆISKE.

10.8 LEGAL RECOURSE

10.8.1 In the event of any payments made under the terms of this policy, EUROPÆISKE enters into all the rights of the policyholder.

10.9 RIGHT OF SUBROGATION

10.9.1 EUROPÆISKE shall be fully and completely subrogated to the rights of the Insured against parties who may be liable to provide an indemnity or make a contribution with respect to any matter which is the subject of a claim under this policy. EUROPÆISKE may at its own expense take over the Insured's rights against third parties to the extent of its payments made.

The Insured shall co-operate with EUROPÆISKE and provide such information and documentation reasonably required by EUROPÆISKE in order to collect and enforce its rights of subrogation.

EUROPÆISKE may institute any proceedings at its own expense against such third parties in the name of the Insured.

10.10 COMPLAINTS BOARD

If any dispute arises between the Insured and EUROPÆISKE, and if a further request to the Company fails to produce a satisfactory result, the Insured can lodge a complaint with:

The Insurance Complaints Board („Ankenævnet for Forsikring“, Anker Heegaards Gade 2, DK-1572 Copenhagen V.

Telephone: +45 33 15 89 00 (10 a.m. to 1 p.m.)

Complaints to the Board shall be submitted by filling in a special Complaints Form and a small fee is charged. The Complaints form and a Giro payment form can be obtained on application

to either: a) EUROPÆISKE's Head Office, b) the Complaints Board or c) the Danish Insurance Information Service („Forsikringsoplysningen“), Amaliegade 10, DK-1256 Copenhagen K.
